PETITION FOR FILING DATE

Hon. Commissioner of
Patents and Trademarks
Washington, DC 20231

Sir:

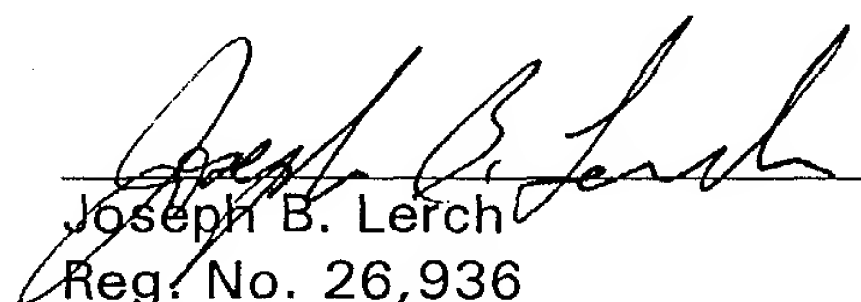

This is a petition to have a filing date of June 20, 2001 accorded to
the above-identified patent application. This petition is accompanied by the \$65
fee.

Attached is a copy of Notice of Incomplete Nonprovisional Application dated August 20, 2001. The notice denies a filing date because the specification does not include at least one claim. However, Pages 12-15 of the application, a copy of which is enclosed, contain 21 claims. These pages were included in the application papers submitted to the USPTO.

As evidenced by the return postcard from the USPTO, a copy of which is enclosed, the application as filed contained four pages of claims.

In view of the foregoing, it is respectfully requested that this application be accorded a filing date of June 20, 2001.

Respectfully submitted,

Joseph B. Lerch
